

DaytonMADE

Dayton (Bio)Manufacturing Awareness and Discovery Experience

Are you a local high school student who is passionate, interested, or just curious about biotechnology and biomanufacturing? Learn more about an amazing opportunity and fill out the application below!

Questions? Please visit www.ues.com/daytonmade for more information or email the DaytonMADE team at DaytonMADE@avinc.com.

Application deadline: May 2nd, 2026 by 5pm.

CAMP DETAILS:

- **Biomanufacturing Trailblazers: June 15-26th, 2026** (Mon through Fri, 9a-4p)
 - For rising 10th, 11th, or 12th graders with some prior experience with biotechnology or advanced biology. Students passionate or interested in learning more about biotechnology and biomanufacturing opportunities are encouraged to participate.
 - ***Participants must have taken and passed high school level biology.***
- **There is no cost to attend this program.**
- Lunch, snacks/drinks, lab supplies, and camp t-shirts will be provided.
- Camps will take place on the Wright State University campus. **Free transportation will be available from central pick-up locations for those who need it.** Parking passes will be provided for students who can drive themselves.
- Students are expected to attend all ten days of camp, for the full day from 9am to 4pm.
- Family and friends are invited and encouraged to attend student demonstrations on the final day of the program!
- Camp attendance will be limited to 12 participants.
- **Students may obtain up to 70 hours of work-based learning.**

DURING CAMP, STUDENTS WILL:

- Experience daily, hands-on lab activities including a large variety of biotechnology techniques
- Learn about local education opportunities in the field
- Meet scientists and other professionals in the field
- Explore potential careers in the field
- Visit Primient, a local biomanufacturing facility
- Glimpse college life through interactions with college students and presence on a college campus
- Practice skills required for student success in school and career

- White
- Other
- Prefer not to answer

DaytonMADE

Parent/Guardian Permission and Program Expectations

I, _____ (name of parent/guardian) give my permission for _____ (student's name) to participate in the Dayton MADE program.

I have read the following information relating to this program, and am in agreement with the expectations:

1. Testing and assessment techniques will occur throughout the program to help in providing the best educational program for my child and to evaluate the program itself.
2. All records will be maintained with strict confidentiality. Those records will be made accessible only to those members of the program staff who need to see and use them for administration of the program. Any demographic information shared with funding organizations or the public to highlight camp results will be anonymized.
3. Pictures, videos and samples of students' work, etc. may be used by the program personnel to show the value of this program to the public.
4. Parents give permission for student(s) to participate in all regularly planned activities and field trips.
5. Parents understand that attendance is important and those students in regular attendance will receive the greatest benefit from the program. Students may be requested to withdraw from the program due to a lack of attendance or participation.
6. Students are expected to show respect towards all adults, their peers, and themselves at all times.

I _____ (name of parent/guardian) hereby and hold harmless AeroVironment, Inc. and its affiliates and subsidiaries, officers, directors, employees and shareholders, Wright State University, Primient, and camp staff from any and all actions, claims, and demands by reason of any damage, loss, or injury (including death) which may be sustained by my child or a child under my guardianship with respect to the child's participation in the DaytonMADE program or contact associated with participation in the DaytonMADE program.

Parent or Guardian Signature _____ Date _____

I, _____ (student's name) have read the above information and understand and agree with the program expectations.

Student Signature _____ Date _____
